Introducing CLC....

A specialist lighting components and cables supplier to the lighting Industry and manufacturing sector in the UK and overseas. As a third-generation family run business with over 50 years' experience, we pride ourselves on our flexible, quality service to the lighting industry and our bespoke product assembly service.

Exclusive UK distributors for Relco VLM. Now based near Market Harborough on the Northamptonshire-Leicestershire border, we were originally part of Collingwood Lighting and separated in 2015 to run as an independent specialist lighting supplier.
